Could you please forward to me a copy of the summary of your highlights for the year that you sent to Kathleen earlier this month. Kathleen asked for folks to send her an email of your highlights and I need to compile this for her by the mid day on Tuesday. I think that I saw copy of Mary's and Brents but I'm not sure about others. I attached what I provided as an example. You can just do 3-5 (or a few more is you like) issues and send me an email and I can then pull together the package for her. Thanks for your help. Jim
